

## Dr Ravi Rao launches his book on Mundane Astrology

“My purpose in writing this book is to show that astrology is a lens through which we can see our future with clarity and thereby gain insight into the motives and actions that determine our future. Such an insight can prepare us for future eventualities and help us live through our higher selves.” - Dr Ravi Rao

Readers will be happy to learn that the past month has been a momentous one with the launch of the book, “A Nation’s Prophecy.” by Dr Ravi Rao

We all know Dr Rao as a Vaastu consultant and astrologer par excellence who has brought positive change to the lives of hundreds of businesses and families across the globe. What has now unfolded is the academic side. “A Nation’s Prophecy.” Is a path finding study on a subject of immense yet undiscovered value to all the countries of the world.

The book also marks the beginning of Star Publication House. It aims to publish books in the field of astrology, Vaastu, mythology, religion and spirituality with the objective of bringing ancient science and wisdom to the everyday lives of people.

The book was released to rave reviews and thumping reception across the breadth of the country.

### About the book

The book has been a labor of love; the fruit of years long study, methodical research and assiduous practice. Dr Ravi Rao’s concern during these long years had always been to bring this ancient Indian science to the public and to kindle fresh interest amongst the young astrological community.

In her introduction to the book, Mrs. Gayatri Devi Vasudev, and an erudite author and astute editor in her own right has said that- “The application of mundane astrology principles can be of great help in anticipating election results, wars and violence.

A systematic approach based on hypothesis, verification and inference characterizes Dr Ravi Rao’s efforts ...Additionally, the charts of national leaders have also been made use of to gain more insightful details... ■
